OUR RECRUITING ROADMAP

OUR **COMMITMENT** commitment

Become the bridge in our community that connects unemployed and underserved people that lives around our building. Get them excited and engaged them about our 456 million dollars expansion that will represent the future for the people of Milwaukee.

We want our team to mirror our city culture, values and more import the expectation for a brighter future.

WCD LEVY TEAM

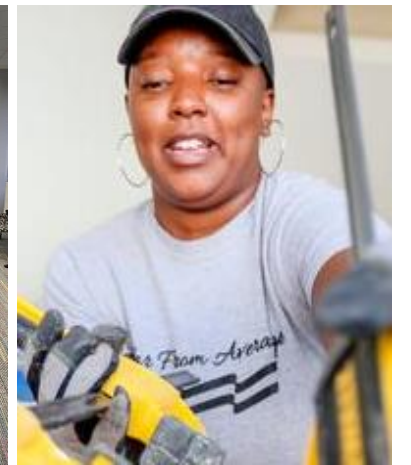

WE ARE EMPOWERING OUR TEAM TO CREATE BOLD EXPERIENCES THAT ELEVATE MILWAUKEE

WCD LEVY + AMERICA WORKS

We secured a partnership with American Works of Wisconsin. Our Levy management team will start in collaboration with America Works a Hospitality training program at their facility.

The candidates will receive social support (free daycare, free transportation) during their sessions from America Works. We will guarantee a job if they successfully complete the service and soft skills training. They will be incentivized if they complete 90 days working with Levy up \$1,500 from a federal program.

We will start our training program in January in preparation for our 2023 convention season.

AMERICA WORKS Lifts People

We believe the most effective approach in helping people out of poverty is by assisting them in finding meaningful employment.

The current total talent in Milwaukee under their program is about 1,200 people and our goal is training and hire a least 3% in the next three months.
