SIGNATURE FOOD + BEVERAGE

We are inspired by the beautiful balance created by unexpected pairings found in classic Puerto Rican dishes, from the harmonious melding of sweet and savory flavor profiles with tangy, rich sauces and crispy-yet-tender textures. Perfectly charred whole roasted pig is dressed with lively, piquant sauces while our crispy mamposteao rice is topped with a robust plantain cream — and it's all paired with a pitch-perfect rum-based take on red wine sangria.

Puerto Rico Convention Center signature items include traditional and modern seafood, filet mignon, roasted pig, flan, mojitos, rum sangria, and beer.
