SIGNATURE FOOD + BEVERAGE

In Columbus, our approach to food comes from the heart and feeds the soul. Our smart farm provides us with a bounty of homegrown produce that gives us plenty of inspiration for shaking up the expected meat and potatoes dishes. Homestyle favorites combine beloved regional flavors with surprising, satisfying modern twists, like locally-sourced osso buco-style short ribs drenched in a complex Watershed Nocino and dark cherry glaze.

Columbus Convention Center signature items include espresso rubbed osso buco-style short ribs, paella, walking tacos, and Columbus Bees Knees vodka lemonade.
