LEVY SMART FRIDGES ARE THE SOLUTION

Fans and guests are demanding more convenient fresh food options. Instead of standing in line at a concession, they want to be eating in their seat while enjoying the action.

Smart fridges deliver **more convenience**, **more variety,** and **more earning potential**. Levy fridges solve:

Rising wages
Labor shortages
Low cost retail buildout

GETTING STARTED IS EASY

ORDER YOUR FRIDGE

Lead time for Levy fridges is only two weeks! This is something you can start immediately.

SCHEDULE TRAINING

Byte's team will train you on how to use the online dashboard. It's simple and only takes 30 minutes.

RECEIVE YOUR FRIDGE

Once your fridge arrives setup is easy. Just plug it in and it's ready to go. It'll automatically connect to the internet and you can start selling food immediately!

STOCK YOUR FRIDGE

Stocking your fridge couldn't be easier. The operator simply enters their individual code to unlock the door. Once the door is open you stock the fridge however they'd like. No checkingin products or data entry needed.

ORDER RFID TAGS

Byte offers one-click RFID tag ordering. Order through Byte's dashboard and you'll have them in-hand in just a few days.

PLACE YOUR FRIDGE

The fridge is only 160lbs and can be move anywhere. It's on wheels so you can place it in the concourse, media areas, entry/exit gates or even outside the concessions.

START MAKING SALES

Funds will automatically be collected and ACH transferred into your account.

IT'S THAT EASY!
