

# CARE TO CATER PROGRAM

Each month we introduce a topic with a corresponding educational session.

When a team member sees another team member exhibiting the qualities and practicing the content of the topic, they are able to “vote” for the team member by writing their name on a card and placing it into the box.

At the end of the month, the team member with the most votes will be awarded “Best Care-to-Cater Team Member of the Month.”

The winning team member will receive a certificate, have their photo taken with the “pineapple trophy,” \$25.00 gift card, and their photo will be displayed in a frame next to the pineapple trophy for the following month.
