

An aerial photograph of a street in Los Angeles, California. The street is lined with palm trees and has several cars parked along the side. The text "LOS ANGELES CONVENTION CENTER" is overlaid in large white letters across the center of the image.

LOS ANGELES CONVENTION CENTER

FOOD STORY

| LOS ANGELES, CA

CITY OF DREAMS

Los Angeles is a city of opportunity, but also a sanctuary for diversity. The city's unparalleled food scene has left an indelible mark on our approach to food, from using the freshest ingredients in hearty health-conscious dishes to melding vibrant ethnic flavors together to create trends that are distinctly L.A. Our creativity runs wild and our potential to build awe-inspiring, soul satisfying dishes is limitless. The energy of possibility emanates through this city, and you can feel it in every dining experience to be had to Los Angeles Convention Center. We are always looking for new stars, whether it be a phenomenal new food trend or something wholly original coming straight from our culinary team's minds.

LACC TONE:

ELEVATED | VIBRANT
AMBITIOUS

SIGNATURE FOOD + BEVERAGE

We take a wholesome, thoughtful approach to unlocking the endless possibilities of interpreting L.A.'s dynamic food scene for our guests. A little ingenuity, a twist of ambition, and a heavy dose of culinary mastery take our menus to the next level. Whether it's a street-food-inspired take on Korean tacos or a bowl bursting with vibrant colors and nutritious, freshly picked ingredients straight from the farmer's market, we aim for the stars with every dish we share with our guests.

Los Angeles Convention Center signature items include Korean tacos, Tajin fries, house-made bison meatloaf, macaroon towers, specialty health smoothies, and local craft beer.
