

SUSTAINABILITY

TOTAL FOOD UTILIZATION

Total Food Utilization refers to using the whole ingredient and minimizing food waste from food preparation. In the event that there is excess produce or even ugly produce, Cultivated chefs employ these foods in picklings, purees, soups, and more.

GREASE RECYCLING

The grease recycling program filters fryer oil to maximize usage and streamlines the changeover of spent oil with new oil.

FOOD RESCUE

Perishable produce, leftover food, bulk items, and excess prepped food are rescued and donated to local community partners.

WASTE MANAGEMENT

All kitchens sort waste into various streams to optimize waste diversion. Streams include compost, plastic, metal, glass, cardboard/paper, and landfill.

WATER COOLERS

We encourage the use of reusable water bottles by having many water coolers and stations throughout the building.

SKIP THE STRAW

Strawless lids allow guests to sip their drinks without a straw.

LINEN USE

Cultivated minimizes the use of linen whenever possible to save water, energy, and reduce chemical waste deposits in our sewer systems.

THE FARM

Spanning one acre on our rooftop, The Farm provides up to 40,000 pounds of produce a year that is incorporated into the meals we serve our guests.

THE FARM ICON

This icon denotes CULTIVATED food and beverage items that are made with ingredients harvested from our rooftop Farm, Greenhouse, Orchard, or Farmshelf.

JACOB'S HONEY

Jacob's Honey is the honey made from the hundreds of thousands of bees on the Javits Center green roof. It is used in the recipes and dishes served by CULTIVATED.

THE GREENHOUSE

The 3,500 sq ft all-season greenhouse is outfitted with a hydroponic growing system and benches for starting seedlings and growing microgreens.

A controlled environment allows for 365-day production and greater yields by providing consistent and near-ideal growing conditions. A vertical, stacked hydroponic system maximizes fields within a smaller footprint 2022 crops include head lettuce, basil, edible flowers, and culinary herbs.
